## company profile

iDS (Interior Design Services) is an established and professional company which is based on the principles of quality and service.

The company was formed in 2002 by the current director Panicos Pantelli. Mr. Pantelli has been in the industry for over 30 years and it is this extensive experience and know-how that has helped the company to flourish from a small local operation at its inception, to one of the biggest and most respected interior design companies within the Cypriot industry to date.

The company currently has over 40 employees and 15 vehicles, and is centrally based in the capital of the island, Nicosia, in 5000m<sup>2</sup> offices that incorporate a warehouse facility.

iDS is a distributor for many blue chip international companies in the industry. These agreements were obtained with the hard work and commitment that iDS stands for and includes:

iDS is versatile and can accommodate both the trade, and retail sector of the industry, ranging from small refurbishments to major overhaul of retail and commercial projects.

So whatever your project, iDS can accommodate specific needs and requirements.
